JOHN A. DAVIS CITED BY N. Y. FEDERATION OF MUSIC CLUBS

John A. Davis, Jr. '47, Chairman of Westminster's Board of Trustees, and organist of West Point Military Academy, received one of three citations awarded by the New York Federation of Music Clubs at a dinner meeting held on May 26th, during the Federation's recent convention in Rochester. Governor Nelson A. Rockefeller and Radio Station WQXR were also cited.

Mr. Davis was recognized for his services as organist and choirmaster at the U. S. Military Academy, as Dean of the Central Hudson Valley Chapter of the American Guild of Organists, and chairman of the Board of Trustees of Westminster.

The awarding of citations to those who are serving the cause of fine music is a project of the National Federation of Music Clubs, carried out by the various state organizations. Dr. Howard Hanson, head of the Eastman School of Music, was principal speaker at the award dinner.

Mr. Davis, who is in his eighth year at the Military Academy, is also lecturer in music and director of the Glee Club at Ladycliff College, Highland Falls, N. Y. This past season he has presented recitals in Michigan, New Jersey, and at West Point.

ANNOUNCE ASSEMBLY SPEAKERS

The President's Office has announced the following partial list of guest speakers and their topics for Westminster assemblies this coming year: Dr. L. Athy Adams (Anatomy, Physiology, and Diseases of the Ear, Throat and Larynx), The Rev. Albert Ronander (The Pilgrim Hymnal), J. Vincent Higginson (Parallels in Catholic and Non-Catholic Hymnody), Dr. Ruth E. Messenger (The Latin Hymn), A. Munroe Wade (The Church and Drama), Dr. Dom Chaplin (The Development of the Child and the Development of the Adolescent), Frank H. Gorman, Jr. (The Age of the Troubadours), Dr. D. Lincoln Harter (Aims of Soviet Foreign Policy), Brigadier General George R. Stephens (Continued on Page 2)

WESTMINSTER TRUSTEES VOTE TO SELL 14 UNUSED ACRES

The Board of Trustees has voted unanimous approval of the sale of approximately 14 acres of Westminster's 20-acre undeveloped tract adjoining the present campus. The sale will be to the Princeton Borough Board of Education for public educational use.

Completion of the sale is contingent on necessary approvals by Princeton Borough and Township authorities of street alignments and other details pertinent to the planned usage of the tract by the Westminster and school authorities. Consent of voters to the purchase plan, which would be asked at a special school district election, is also necessary.

In announcing the sale, President Bristol said: "We certainly recognize the critical importance of good public schools for the Princeton community. At the same time we agree to the sale of valuable Westminster land with great reluctance. I say 'great reluctance', because of the extremely restrictive effect such a sale puts upon the development plans of the college under the existing zoning and building ordinances of the Borough and Township. We are confident that local authorities, recognizing the generous spirit of Westminster's move, will work cooperatively with the College as development plans progress. "Our consulting architects have re-studied our proposed campus development plan and drawn up two alternative schemes for the use of the present developed campus and the land which Westminster will retain. These schemes assure us that we can still continue to move toward the College of 500 which Dr. Williamson, Arthur Judson and others envisioned when a number of Westminster goals were agreed upon several years ago by the Board of Trustees.

This decision to sell the land was difficult. The board's special committee worked long and hard on this issue. Meeting after meeting was held to consider modifications of proposals as they were offered on both sides over the past nine months. The committee weighed faculty and alumni views as well as reaching the ultimate compromise which leaves us with six acres we might not otherwise have retained."
